# Player Assessment and Development Form

**Coach Version — v5.0 (Fillable PDF)**

*Independent coach evidence for player development, recruitment and pathway decisions.*

**Player full name**

**Coach full name**

**Club / academy / school**

**Coach role / licence**

**Date completed**

**Purpose of assessment**

- ☐ Development review
- ☐ Recruitment
- ☐ National-team pathway
- ☐ Trial referral
- ☐ Representation

*Complete every applicable section clearly. Use verified information wherever possible and identify estimates or unavailable evidence.*

## 1 Coach identity, role and relationship to the player

**Coach full legal name**

**Current organisation**

**Current role / team**

**Coaching licence / qualification**

**Federation / association**

**Email**

**Mobile / WhatsApp**

**Country**

**Relationship to the player**

- Head coach
- Assistant
- Academy coach
- School coach
- Strength and conditioning
- Technical director
- Other

**If other, please specify**

**Period coached / observed — from**

**Period coached / observed — to**

**Approximate sessions observed**

**Approximate matches observed**

**Date of most recent observation**

**Permission to contact the coach**

- Yes
- No

## 2 Player identity, status and availability

**Player full name**

**Date of birth**

**Nationality / nationalities**

**Current club / team**

**Nominal / primary position**

**Primary demonstrated role**

**Secondary demonstrated role(s)**

**Situational role(s) observed**

**Projected role (coach projection — not a demonstrated fact)**

**Dominant foot**

- ○ Right
- ○ Left
- ○ Both

**Registration status**

- ○ Registered
- ○ Free agent
- ○ Academy
- ○ School
- ○ Unknown

**Contract end date (if known)**

**Current injury / availability status**

**Countries with legal eligibility to work / play (if known)**

**Regions willing to relocate to (if known)**

- ☐ Africa
- ☐ Europe
- ☐ Asia
- ☐ North America
- ☐ South America
- ☐ Oceania
- ☐ Middle East

## 3 Observation context and competitive level

*Separate training impressions from match evidence and identify the level of opposition.*

**Observations**

*(blank entries — add more on a continuation sheet if needed)*

***Entry 1***

**Date**

**Match / session**

**Competition / level**

**Opponent**

**Position / role observed**

**Minutes**

**Result**

**Observation notes / role behaviour / pressure context**

*Entry 2*

**Date**

**Match / session**

**Competition / level**

**Opponent**

**Position / role observed**

**Minutes**

**Result**

**Observation notes / role behaviour / pressure context**

*Entry 3*

**Date**

**Match / session**

**Competition / level**

**Opponent**

**Position / role observed**

**Minutes**

**Result**

**Observation notes / role behaviour / pressure context**

**Describe the player's usual team role, formation, game model and responsibilities**

**Describe the strongest and weakest levels of opposition the player was observed against**

## 3A Game-role verification

*Verify the responsibilities the player actually performed. Keep demonstrated roles separate from projections and support important claims with repeated match evidence.*

**Primary demonstrated role and core responsibilities**

**Secondary / situational roles actually used**

**3-5 repeatable behaviours that define the role**

**Robustness under pressure and context / level validation — what stays reliable and where was it tested hardest?**

**Role transferability — which adjacent roles are supported by observed evidence?**

**Immediate / development fit — best game model and environment; which environment could expose current limitations?**

**Counter-evidence / behaviours that weaken the role projection**

## 4 Technical assessment

**Technical ratings**

*Rate 1 = significant limitation and 5 = exceptional for the level assessed. Support ratings with observed evidence.*

**First touch / receiving**

1 2 3 4 5

*Evidence / observation* *Development priority*

**Weak-foot use**

1 2 3 4 5

*Evidence / observation* *Development priority*

**Short passing / circulation**

○ 1 ○ 2 ○ 3 ○ 4 ○ 5

*Evidence / observation* | *Development priority*

**Progressive passing**

○ 1 ○ 2 ○ 3 ○ 4 ○ 5

*Evidence / observation* | *Development priority*

**Long pass / switch**

○ 1 ○ 2 ○ 3 ○ 4 ○ 5

*Evidence / observation* | *Development priority*

**Ball carrying / dribbling**

○ 1 ○ 2 ○ 3 ○ 4 ○ 5

*Evidence / observation* | *Development priority*

**Attacking 1v1**

○ 1 ○ 2 ○ 3 ○ 4 ○ 5

*Evidence / observation* | *Development priority*

**Crossing / final pass**

○ 1 ○ 2 ○ 3 ○ 4 ○ 5

*Evidence / observation* | *Development priority*

**Finishing / final action**

○ 1 ○ 2 ○ 3 ○ 4 ○ 5

*Evidence / observation* | *Development priority*

**Aerial technique**

○ 1 ○ 2 ○ 3 ○ 4 ○ 5

*Evidence / observation* | *Development priority*

**Tackling / ball recovery / 1v1 defending**

○ 1 ○ 2 ○ 3 ○ 4 ○ 5

*Evidence / observation* | *Development priority*

**Press resistance / receiving under pressure**

○ 1 ○ 2 ○ 3 ○ 4 ○ 5

*Evidence / observation* | *Development priority*

## 5 Tactical and game-intelligence assessment

**Tactical ratings**

*Rate 1 = significant limitation and 5 = exceptional for the level assessed. Support ratings with observed evidence.*

**Scanning / perception**

1 2 3 4 5

*Evidence / observation* | *Development priority*

**Decision speed**

1 2 3 4 5

*Evidence / observation* | *Development priority*

**Positioning**

1 2 3 4 5

*Evidence / observation* | *Development priority*

**Role discipline**

1 2 3 4 5

*Evidence / observation* | *Development priority*

**Off-ball movement**

1 2 3 4 5

*Evidence / observation* | *Development priority*

**Space recognition**

1 2 3 4 5

*Evidence / observation* | *Development priority*

**Build-up decisions**

1 2 3 4 5

*Evidence / observation* | *Development priority*

**Progression decisions**

1 2 3 4 5

*Evidence / observation* | *Development priority*

**Pressing / counter-pressing**

1 2 3 4 5

*Evidence / observation* | *Development priority*

**Defensive anticipation**

1 2 3 4 5

*Evidence / observation*

*Development priority*

**Transition response**

1 2 3 4 5

*Evidence / observation*

*Development priority*

**Set-piece understanding**

1 2 3 4 5

*Evidence / observation*

*Development priority*

## 6 Physical and movement assessment

**Physical ratings**

*Rate 1 = significant limitation and 5 = exceptional for the level assessed. Support ratings with observed evidence.*

**Acceleration**

1 2 3 4 5

*Evidence / observation*

*Development priority*

**Top speed**

1 2 3 4 5

*Evidence / observation*

*Development priority*

**Agility / change of direction**

1 2 3 4 5

*Evidence / observation*

*Development priority*

**Strength**

1 2 3 4 5

*Evidence / observation*

*Development priority*

**Contact balance**

1 2 3 4 5

*Evidence / observation*

*Development priority*

**Aerial ability / power**

1 2 3 4 5

*Evidence / observation*

*Development priority*

**Repeat sprint / repeated-effort capacity**

1 2 3 4 5

*Evidence / observation* | *Development priority*

**Endurance**

1 2 3 4 5

*Evidence / observation* | *Development priority*

**High-intensity capacity**

1 2 3 4 5

*Evidence / observation* | *Development priority*

**Movement efficiency**

1 2 3 4 5

*Evidence / observation* | *Development priority*

**Physical / injury resilience**

1 2 3 4 5

*Evidence / observation* | *Development priority*

**Physical projection**

1 2 3 4 5

*Evidence / observation* | *Development priority*

## 7 Psychological, behavioural and professional assessment

**Psychological and professional ratings**

*Rate 1 = significant limitation and 5 = exceptional for the level assessed. Support ratings with observed evidence.*

**Coachability**

1 2 3 4 5

*Evidence / observation* | *Development priority*

**Learning speed**

1 2 3 4 5

*Evidence / observation* | *Development priority*

**Training consistency**

1 2 3 4 5

*Evidence / observation* | *Development priority*

**Competitive mindset / intensity**

○ 1 ○ 2 ○ 3 ○ 4 ○ 5

*Evidence / observation*

**Professional habits**

○ 1 ○ 2 ○ 3 ○ 4 ○ 5

*Evidence / observation*

*Development priority*

**Accountability**

○ 1 ○ 2 ○ 3 ○ 4 ○ 5

*Evidence / observation*

*Development priority*

**Give specific examples that support the highest psychological or behavioural ratings**

**Record any recurring concerns about conduct, attendance, discipline or reliability**

## 8 National team and representative football

**Selected for national / representative team**

- None
- ID camp
- Training camp
- Match call-up
- Debut

**Country represented**

**Level**

- Senior
- U23 / Olympic
- U20
- U17
- Other

**Matches / appearances (if known)**

**Goals / assists (if known)**

**Other countries eligible to represent (if known)**

**Coach's view on national-team readiness**

- Ready now
- Short-term potential
- Development needed
- Insufficient evidence

**Explain the player's current national-team suitability and the level or role that fits best**

## 9 GPS / EPTS, ICMT and performance technology

*Do not penalise the player because technology was not available. Record only systems and data actually used or verified.*

**GPS / EPTS used**

- No
- Yes
- Unknown

**System brand / model**

**Period used**

**Data owner / controller**

**Coach reviewed the data**

- ○ No
- ○ Yes

**Reports / exports available**

- ☐ PDF
- ☐ CSV
- ☐ Platform link
- ☐ Screenshots
- ☐ Not available

**ICMT used**

- ○ No
- ○ Yes
- ○ Unknown

**ICMT system / provider**

**Modules used**

- ☐ Reaction
- ☐ Perception
- ☐ Decision-making
- ☐ Peripheral awareness
- ☐ Dual task

**Other technology**

- ☐ Heart rate
- ☐ Video analysis
- ☐ Wellness
- ☐ Strength testing
- ☐ Smart footwear
- ☐ Other

**If other, please specify**

**Metrics**

*(blank entries — add more on a continuation sheet if needed)*

***Entry 1***

**Interpret the available EPTS, ICMT or other performance-technology data in football terms. Identify trends, not isolated numbers.**

## 10 Trials, tournaments and external exposure

**Events**

*(blank entries — add more on a continuation sheet if needed)*

*Entry 1*

**Date**

**Club / tournament**

**Country**

**Age / level**

**Role / minutes**

**Result**

**Award**

**Feedback**

**Evidence / contact**

*Entry 2*

**Age / level**

**Role / minutes**

**Result**

**Award**

**Feedback**

**Evidence / contact**

**Next trial, tournament, showcase or national-team opportunity to consider**

## 11 Development trajectory and adaptability

**Development and adaptability ratings**

*Rate 1 = significant limitation and 5 = exceptional for the level assessed. Support ratings with observed evidence.*

**Rate of improvement**

1 2 3 4 5

*Evidence / observation*

*Development priority*

**Ability to apply feedback**

1 2 3 4 5

*Evidence / observation*

*Development priority*

**Adaptation to new roles**

1 2 3 4 5

*Evidence / observation*

*Development priority*

**Adaptation to stronger opponents**

1 2 3 4 5

*Evidence / observation*

*Development priority*

**Adaptation to new teammates**

○ 1 ○ 2 ○ 3 ○ 4 ○ 5

*Evidence / observation*

*Development priority*

**Language / communication adaptability**

○ 1 ○ 2 ○ 3 ○ 4 ○ 5

*Evidence / observation*

*Development priority*

**Cultural adaptability**

○ 1 ○ 2 ○ 3 ○ 4 ○ 5

*Evidence / observation*

*Development priority*

**Relocation readiness / independence**

○ 1 ○ 2 ○ 3 ○ 4 ○ 5

*Evidence / observation*

*Development priority*

**Training-load adaptability**

○ 1 ○ 2 ○ 3 ○ 4 ○ 5

*Evidence / observation*

*Development priority*

**Lifestyle independence**

○ 1 ○ 2 ○ 3 ○ 4 ○ 5

*Evidence / observation*

*Development priority*

**Describe how the player has developed during the period you coached them. What changed most?**

**Identify the three highest-priority development needs and the recommended intervention for each**

## 12 Fit, level projection and recommendation

**Current competitive level**

**Current squad status**

○ Starter ○ Rotation

○ Reserve ○ Development player

**Best current demonstrated role**

**Projected next level**

**Estimated readiness timeframe**

- ○ Ready now
- ○ 3-6 months
- ○ 6-12 months
- ○ 12-24 months
- ○ Uncertain

**Recommended pathway**

- ○ First team
- ○ Academy
- ○ Loan
- ○ Trial
- ○ Scholarship
- ○ National-team monitoring
- ○ Other

**If other, please specify**

**Overall recommendation**

- ○ Strongly recommend
- ○ Recommend
- ○ Recommend with conditions
- ○ Monitor
- ○ Not recommended

**Confidence in the recommendation**

- ○ High
- ○ Medium
- ○ Low

**Coach’s final assessment: explain the recommendation, best-fit environment, conditions for success and main risks**

**What must remain true for this recommendation to stay valid?**

## 13 Verification, supporting evidence and declaration

**Evidence available**

- ☐ Match video
- ☐ Training video
- ☐ Statistics
- ☐ EPTS
- ☐ ICMT
- ☐ Medical clearance
- ☐ National-team evidence
- ☐ Trial / tournament records

**Verification contact 1**

**Verification contact 2**

**Information taken directly from records**

- ○ Yes
- ○ Partially
- ○ No

**Any conflict of interest**

- ○ No
- ○ Yes — explain below

**Links, file names or references for supporting evidence**

**Conflict of interest, limitation or important caveat**

**Declaration**

☐ I confirm that this assessment reflects my honest professional opinion based on the observations and records identified in this form. I have distinguished verified information from estimates and disclosed any relevant limitation or conflict of interest.
